

A Christmas Treat at Priory Bay

We invite you and your company to join us to celebrate Christmas

Once again, our Christmas menus have been prepared by Alexis Gauthier, the Michelin starred chef from our sister London restaurant, Roussillon.

Our special lunch and dinner menus will be available throughout December.

Spoil yourself with these exciting menus and bring your party to enjoy the best the Island has to offer. Classic Isle of Wight Christmas Turkey is included in both our Christmas menus.

Lunches and Dinners

Whether you are looking for a large or small intimate Christmas party the Priory Bay can cater for your needs. This year we are offering a festive three-course menu from £27.95 per person.

Christmas Party Nights

This year's only Christmas Party Nights will be on **Friday 4th** and **Saturday 5th December**. The evenings will begin at 7:30pm. The price includes a three-course meal with coffee and petit fours, plus gambling in our fun Casino and dancing the night away until midnight to a great mix of music from one of the Islands top discos "Tony Martin". £35.00 per person
